No More Escaping... Just Hope Shaping

Stephanie Scott's experiences in the triumphs over tragedy and loss with hope make her qualified to guide women in this tumultuous journey called life. As a recovering escape artist, she is transparently relational with audiences. Throughout her faith filled presentations women are influenced to:

- ✓ Live fully in the present instead of the pain of the past or fear of the future
- ✓ Be inspired to hope where it has been absent
- ✓ Be assured of God's Love that has previously been questioned
- ✓ Be strengthened by confidence in the Truth of Scripture
- ✓ Be motivated to affect positive change in thoughts and priorities

"This godly woman, so full of *compassion* and *mercy*, will bless your socks off! All who listen will find themselves leaning in her direction to hear every word of her compelling story."

Vivian Matheson,
Lake Arrowhead Church Sister Circle

Stephanie grew up in Tallahassee, Florida and currently lives in Waleska, Georgia. Since she is a formerly grieving mother and a survivor of suicide, Stephanie is able to use real life experiences to illustrate the transformative Power of the Lord as a Christian Public Speaker. As the wife of a college football coach, she pours her heart into her role as Team Mom. She expresses her desire to help the team by fundraising, photography, emotional support, and prayer. Her extensive background in private club and non-profit management adds to the experiences she pulls from. From this heart for others, she draws upon a deep reservoir of hope that is contagious, inspiring audiences across all demographics.

Stephanie is married to Tommy and has two children in Heaven as well as a stepdaughter, Nicki, who lives in California. She also has hundreds of football "sons". She enjoys volunteering, photography, bible study, travel, exercise and reading.

"The extraordinary story of her journey was *inspiring*. Her words and delivery are both professional and poetic."

Cheryl Lutz,
Securely Held Conference

"I loved the way she spoke from her *heart* and I loved that she was using her story to give hope to others."

Lori Durand Kennedy,
Alpha Omega Ministries
